

## OREGON SPORTS MEDICINE

Oregon Sports Medicine Associates, a privately held physician practice specializing in orthopedics, hired Specht Development, Inc. to oversee construction of their 20,867 square-foot facility located in Tualatin, Oregon. The project, designed by Soderstrom Architects, was completed in 2004.

The single-level building features offices, diagnostic services, state-of-the-art operating rooms and an ambulatory surgery center.
